

Acquisition Opportunity: Project "Eagle" - Environmental Remediation and Demolition Services

"The Company," a Nevada Subchapter S-Corporation established in 2001 and located in California, is a prominent player in the environmental services sector. Specializing in comprehensive solutions, it excels in construction, remediation, demolition, emergency response, asbestos abatement, and hazardous waste transportation. The company extends its services across a broad spectrum, catering to private entities including general contractors, commercial, industrial, hotel, and healthcare companies.

Company Highlights:

Entity Type	S-Corp
Founding Year	2001 - Owner Founded
Shareholders	3 Shareholders – active in day-to-day operations
Employees	11 employees (not including shareholders)
Scope of Operations	Southern & Central California
Key Services	Environmental Remediation & Abatement; Demolition (Hard/Soft) ; Asbestos/Lead Removal ; Mold Remediation ; Emergency Response ; Respiratory Illness Disinfection
Clientele	Federal, State, and Local agencies, School Districts, and Private Business & Organizations
Facilities	1 Location
